

BEFORE THE SOUTH CAROLINA PUBLIC SERVICE COMMISSION

Docket No. 2016-262-T

Application for Sale, Transfer, or Lease of Certificate of Public Convenience and
Necessity for Operation of Motor Vehicle Carrier

In RE: DG Delivery Services, LLC

MOTION FOR EXPEDITED REVIEW OF APPLICATION
AND WAIVER OF HEARING

Applicant hereby respectfully requests that the Commission expeditiously consider this Application for Sale, Transfer, or Lease of Certificate of Public Convenience and Necessity for Operation of Motor Vehicle Carrier without a hearing. The Application was filed on June 29, 2016, to transfer Certificate No.9747 (PSC Order No. 2005-58) that grants authority to transport household goods only between points and places in Charleston, Berkeley and Dorchester Counties to points and places in South Carolina.

The Commission's Notice of Filing dated July 13, 2016, which required that Petitions to Intervene be filed with the Commission by August 18, 2016, was published in the Charleston Post & Courier on July 16, 2016. Neither the Applicant nor the Commission has received a Petition to Intervene. This Application is therefore unopposed. Indeed, Applicant is the only party as the Office of Regulatory Staff has opted out per its letter t to the Commission dated August 22, 2016.

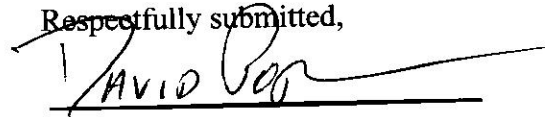

Applicant respectfully submits that the Application and its Exhibits provide all of the necessary evidence required by Commission Rule 103-135, *Sale, Lease or Other Transfer of a Certificate of PC&N or FWA*, for the approval of this transfer. The transfer (1) will not adversely affect the service to the public under the Certificate; and (2) the Applicant is fit, willing, and able to perform such service to the public under it.

Applicant therefore respectfully requests that the Commission consider the application expeditiously without a hearing.¹

¹ See Commission Rule 103-803. **Waiver of Rules :**

In any case where compliance with any of these rules and regulations produces unusual hardship or difficulty, or where circumstances indicate that a waiver of one or more rules or regulations is otherwise appropriate, such rule or regulation may be waived by the Commission upon a finding by the Commission that such waiver is not contrary to the public interest.

Respectfully submitted,
